Child Care for PCS Program at Yokota Prior to Your Departure

A PCS move is never easy and children can feel stressed too. The intent of this program is to provide parents the opportunity to have their children cared for while they are getting ready to leave a base or arriving at a new base...while packing, unpacking, in-processing, house hunting, attending briefings, etc.

The Airman and Family Readiness Center, Air Force Aid Society and Family Child Care program provide the "Child Care for PCS" program to members to assist with child care costs associated with a PCS move. Qualified members can receive up to 20 hours of free child care per child in a licensed family child care provider's home within 60 days of their departure from Yokota.

- **20 hours of care per child is paid by the Air Force Aid Society to families in PCS status only.**
- Certificates are issued by the Airman and Family Readiness Center, Bldg 535, to the active duty member or spouse on PCS orders either arriving to Yokota or departing Yokota. Certificates can only be used at the base where issued. Please bring one copy of your orders.
- Certificates are good for child care within 60 days of PCS departure date.
- **Child care will be provided only on base in licensed Family Child Care homes.** Contact the Family Child Care Coordinator to find available providers at 225-8192.
- Certificate must be shown at time care is provided to verify eligibility.

Note: This program will also be available at your gaining Air Force installation; check in with your Airman & Family Readiness Center upon arrival with PCS orders for certificates.
